## Global Database

### TRACK PROPERTY MARKETS IN THE UNITED STATES AND AROUND THE WORLD

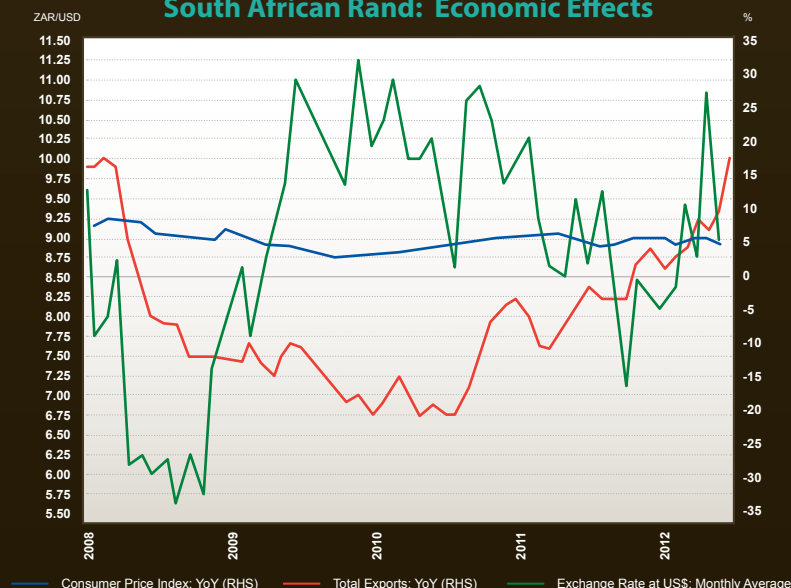

#### Key Benefits:

- CEIC's Global Database contains over a million time series covering 128 economies
- Contains detailed data for key indicators such as GDP as well as insightful information on inflation, exports, and tourism
- CEIC's CDM platform allows quick downloading of time series to Excel
- CDM's flexible charting capabilities enable rapid correlation analysis and makes trend spotting easy

#### Housing Market Indicators

#### South African Rand: Economic Effects

### MONITOR CORRELATIONS BETWEEN CURRENCY AND OTHER KEY ECONOMIC INDICATORS

#### More Key Benefits:

- Near real-time updates allow you to quickly adjust your analysis
- Empowers you with valuable, hard-to-find data on emerging economies that your competitors might not be using
- Gives you access to CEIC's team of expert analysts and their extensive knowledge of local nuances and insights about individual countries and industries

### SUPPORT AND LOCATIONS

CEIC Data provides its users with outstanding training and support, using our local presence and global reach. We have customer support staff in 30 offices around the globe, working in tandem with our expert database analysts. Each member of our staff is an expert in both the economic data of their location and in maximizing value from CEIC's data platforms.
